- o Series of 3 Treatments \$825
- o Series of 6 Treatments \$1500

LIGHT GEL PEELS

SALICYLIC/MANDELIC

Salicylic and mandelic acids work synergistically to dissolve dead surface skin cells and aid in clearing pore congestion. Your skin will feel firmer and smoother. Optimal benefits achieved when applied in a series of treatments. Salicylic acid is especially suited for oily, acne-prone, or sensitive skin.

GLYCOLIC/LACTIC

Glycolic and lactic acids work to exfoliate and brighten dull skin, improve the effects of photodamage, and increase hydration. Optimal benefits achieved when applied in a series of treatments. Glycolic acid is especially suited for rough, photodamaged, or dry skin.
